08 October 2008

FOR IMMEDIATE RELEASE

International School of Luxembourg faculty, friends, students and parents will pool their collective talents in a musical tribute to the life and extraordinary courage of former ISL student Anthony “Tony” Lettieri who died of leukaemia in June, just a few weeks after his 9th birthday. The Anthony Lettieri Memorial Benefit Concert will be held on **Thursday, 23 October at 19:30 in the ISL Auditorium.** (Enter the school car park at the intersection Boulevard Pierre Dupong and the Route d’Esch on the Geesseknäppchen Campus in Luxembourg-Merl.) All proceeds from the concert will be donated to support paediatric cancer research.

This unique event will feature the well-known ISL Faculty Rock Band, the newly formed Teachers’ Dance Troupe, and surprise appearances by students and faculty, including special guest blues artist Randy Melton who will get his *mojo workin’* on the audience! The programme will close with an air by ISL Director Chris Bowman and his Celtic musicians. The concert is taking place under the *haut patronage* of the United States Embassy and counts Kaupthing Bank and Caves Krier Frères among its generous sponsors. Refreshments will be served before the performance and during the interval.

Please join us for what promises to be an enjoyable evening of entertainment and at the same time help us honour Tony’s brief life. All funds raised from ticket and refreshment sales will be donated to support the fight against paediatric cancer. Tickets are priced at €8 and can be purchased in advance at ISL or at the door on the evening of the concert. **For more information, visit the ISL website: www.islux.lu.**
