DEAR GUESTS,

Welcome to Luxembourg

It is a pleasure to welcome the teams and supporters from our partner schools in Amsterdam, Antwerp, Copenhagen, Düsseldorf, The Hague, Hamburg and Rotterdam to join us for the 2009 U12/U14 Soccer and Volleyball Tournament.

We wish you an exciting competition and we all look forward to experiencing the sportsmanship and the opportunity for making and renewing friendships from within our international community.

Many thanks to our Director of PE and Sports, Mr. Neil Spencer and his assistant, Ms. Simone de Vet, for their efforts in organizing the tournament and a big thank you to the coaches, teachers, students and parents who will be assisting and supporting during the competition.

We wish you a successful tournament and a thoroughly enjoyable stay in Luxembourg.

Chris Bowman
Director, ISL

DEAR PLAYERS, COACHES AND SUPPORTERS,

We would like to welcome you all to the NECIS U12 and U14 soccer and volleyball tournament, and the International School of Luxembourg looks forward to hosting you over the next two days. It takes many volunteers from our community to host such an event, so please say Thank You whenever appropriate.

For many of you this maybe the first time participating in a NECIS tournament and we are sure you will gain memorable experiences in competing against new friends from around Europe and the world.

NECIS tournaments are about playing to the best of your ability as a player and as a team, and always displaying sportsmanship irrespective of the decision or result. Inevitably in any tournament play there will be moments of excitement and disappointment but we do hope you take away lasting memories.

Enjoy the tournament both on and off the court / fields!

Neil Spencer and Simone de Vet
The Sports Department
