

**Upper School student writing sample:**

**To be completed by the student and returned to ISL.**

The purpose of this essay is to help us know you better. We are interested in knowing not only about your academic ability and your best or favourite subjects, but also about your personal interests and hobbies. For example, do you play a musical instrument? Do you enjoy sports or have any special talents? What kind of books do you like to read? Tell us about your special achievements, about places you have visited, people or events that have influenced you. Do you have any particular ambitions or goals? What do you hope to get out of your education in general and at ISL in particular? These are just some suggestions but please write freely about yourself and be as specific as possible. Attach an extra sheet if you need more space.
